

Supplies used:

- Metallic embroidery thread
- Wash-away stabilizer (2 pieces)
- Jewellery findings of your choice
- Lace Bracelet design
(6.97"w X 4.74"h)
- Lace Earrings design
(2.98"w X 3.49"h)

Step 1

Hoop two pieces of wash-away stabilizer
 Run the jewellery designs

Step 2

Remove finished designs from the hoop
 and trim closely

Step 3

Rinse the stabilizer out using very hot
 water. Run under tap for best results

Step 4

Let dry then add jewellery findings to finish off the bracelet, pendant and earrings

Tip

Ensure your metallic thread comes off
 the spool horizontally so it doesn't twist.
